Grade 10 Locally Developed English

Welcome to Grade 10 English! The main goal this year will be to improve literacy and writing skills, even though oral participation will still remain a focus also. Our main theme in many of our units of study will be mysterious apparitions, ghosts and spirits. It is also my goal to get to know you and your interests, in our first unit of study.

By working hard, being respectful of one another, and trying your very best, you will ensure great success in this program. It is my pleasure to spend the next five months with you, in our attempt to get you ready for the world of work. Good luck!
