

## St. Theresa's High School

### ENG 4E- Grade 12 Workplace Preparation English

Semester 2006- 2007

#### Course Description

This course emphasizes consolidation of literacy, critical thinking, and communication skills. Students will study informational texts and literature from various countries and cultures; write summaries, reports, resume, and short essays; complete an independent research project; and explain the connections among media forms, audiences, and media industry practices. An important focus will be on using specialized language related to the workplace accurately and coherently in appropriate contexts.
